

**EFFECTIVE**

March 1, 2023.

**Subject(s)**

Administrative Policy Organizational Services (APO) policy item 204, Wireless Communication Devices, has moved to Administrative Policy Technology (APT) 303, Wireless Communication Devices.

Users of any state issued wireless communication device, or mobile internet connectivity device must adhere to the IT Resources [Acceptable Use Policy 1340.00](#) issued by the Michigan Department of Technology, Management and Budget. Users must also adhere to the [APT 301, Mobile Worker Equipment Accountability Policy](#), issued by MDHHS.

APO is now obsolete although historical policy is still available through the [MDHHS policy manuals](#).
